

Public land adjacent to the Fort Edward Blockhouse has historical roots that include the Mi'kmaq, Acadians, military, and the Agricultural Fair. The West Hants Historical Society is working with the West Hants Municipal Council to reimagine a use for this now vacant land which will attract visitors, interpret our history, and provide recreational opportunities for citizens.

To protect its historical importance to West Hants, are you in favour of maintaining the public lands which are adjacent to Ft. Edward?

YES. NO.
